

*What is KFAD?*

*Kids Fun and Drama is a not for profit organization that provides teaching of theater, music, dance and hand chimes to any child from 2nd to 12th grade*

*Where did we come from?*

*Before it was known as KFAD, this little drama group was a bunch of kids who were eager to put on musicals in an old church sanctuary. The group needed a name, so the prize of dinner at your choice of restaurant was offered to the kid who would come up with the best name for the group. The little girl who won the contest was asked "How did you think of the name?" she replied, "It was easy, all I did was say what it was... It's kids having fun doing drama."*

*Where are we going?*

*KFAD has come a long way since the days of performing musicals in that church sanctuary. It now has it's own studio located near downtown Beloit, and has been in full production since 1998. Currently, KFAD runs two main productions during the year, one in the spring and one in the fall, and a summer program in August.*

*Why should your family get involved in KFAD?*

*Today's schools aren't teaching the arts like they should. In fact, the arts are usually the first to go when budgets need cutting! That is why KFAD was originally started to give children the training that they can not get in school.*
